EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Disregard the Supplemental Amendment filed 10/31/05 as claim 30 was in error. Claim 30 has been corrected in the Supplemental Amendment filed 11/10/05, and this Notice of Allowance is in response to that Amendment.

The following is an examiner's statement of reasons for allowance: The amended portions of claims 4 and 30 represent the patentable subject matter that was previously not set forth in claim 4 of the Amendment of 10/12/05. This subject matter, identified by the Examiner, was agreed up with the Applicant's representative on or about October 28, 2005. This serves as the Interview Summary for that communication.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jerrold Johnson whose telephone number is 571-272-7141. The examiner can normally be reached on 9:30 to 6:00 M-F.
